ADAMS For COUNTY JUDGE

AS YOUR REPRESENTATIVE

My one ambition was to work for the best interest of the people of Letcher County. In a number of instances I was defeated in the measures I tried to get through, but in looking back at the overall picture I feel proud of the few things that were accomplished.

While serving as your Representative I worked for and helped to secure:

1. For more and better roads for Letcher County.

2. Increase in Jurors pay to \$5.00 per day. If the dignity of our Courts were to be maintained this was necessary.

3. I have supported all Legislation tending to increase the lot of the laboring man, including: Increased Workman's Compensation and Unemployment Insurance, and the Enactment of Mine Safety Legislation.

4. I have at all times worked for and supported increased teachers salaries, and an increased budget for education. I have supported increased teacher-retirement payments.

5. I have worked for increased aid to the OLD AGED, NEEDY BLIND, and Dependent Children.

GROUND TO BE BROKEN FOR NEW HOSPITAL ON NOVEMBER 7TH

The Mountain Eagle was informed this week that ground breaking ceremonies will be held on Saturday November 7, on the New U. M. W. A. Hospital at the Lucas farm one mile East of Whitesburg. Carson Hibbitts of Pikeville

and Ed Reynolds from the Hazard office will be on hand for the ground breaking ceremony which will complete the chain of U. M. W. Kentucky hospitals.

Dr. B. F. Wright will give the welcoming address, and County Judge Robert B. Collins will turn the first spadeful of earth.

AS YOUR COUNTY JUDGE

1. I shall at all times run the office of County Judge as efficiently and courteously as I am capable of doing, and shall be personally available at all times to serve you.

My one great ambition will be to work for the best interest of the people of Letcher County. Progress in any county must be achieved through leadership which is honest and efficient, and to this end, I promise you, I shall strive to make Letcher County one of the best counties in the State.

2. I shall adopt a road program which will in the end assure every creek and community in this county an outlet to market and school. Some sections of the county have been isolated too long. Letcher County's greatest resource is our boys and girls, and we owe them an opportunity for an education; so therefore we must make every section of the county accessible to school bus accommodations.

3. I shall strive unceasingly to improve the roads we now have and to build new ones.

4. I shall give to you a county government based on honesty and efficiency; a county in which lawlessness will be reduced to a minimum. A county in which the evils that lurk by the roadside, to tempt our boys and girls, will be destroyed.

I promise you a county government which you will be proud of.

TO THE PEOPLE OF LETCHER COUNTY:

In 1942, I, as well as Millions of other American Boys, of the Armed Forces, was having it hard. During the fall of 1942 I spent nearly 4 months in the rain and snow sleeping on the ground, in a Pup tent, or in a Fox Hole, going for weeks at a time without having my clothes off. Due to this exposure my health was destroyed, and I became afflicted with severe Asthma, which gets worse as the years go by. You that have Asthma or know of relatives or acquaintances who have it, know what we endure. You also know that hard work is nearly impossible. Due to this condition, I am in the same shape as you or your relatives. When you go to the polls on November the 3rd, I want you to rehire me as your County Court Clerk, a job that I am able to do.

There is one other thing I would like for you to think about before you vote. In the Book of Isaiah of the Holy Bible there is a passage that reads like this, "AND A LITTLE CHILD SHALL LEAD THEM." This is the thought I want to leave with you, as I am the only person asking for this job that has children. I have six which you can see in the picture below, with their names and ages. I need the office in order to help them more than to help myself.

I have tried to make you a good Clerk. I would like to ask you to consider very carefully what you have just read. Then I trust and pray that you will go to the polls on November the 3rd and cast your vote for me to serve you again as your County Court Clerk. I Pledge to you—to serve you, not only as your public servant, but as a friend, true and tried. Thanking you for every kind word you have spoken to me and of me, and asking God's blessing upon each of you and your household.

I am, Gratefully yours,
—CHARLIE WRIGHT and FAMILY.

Children's names and their ages:
Peggy, 17; Charlene, 10; Hiram Tilden, 8; Beverly, 6; William, 4; and David, 2.

Attention Voters Of Whitesburg !!!

Our Good Government Ticket, running for your representatives for City Council, feels that it must make some reply to last weeks statement by our opponents.

Our character was questioned in this article. Do you, the people, believe there is a man on this ticket that is not of the highest moral quality?

Our qualifications for the office was questioned. Do you, the people, believe that we, as business men of your community, are not experienced and qualified to serve

your very best interests?

We place ourselves before the voters of this city, and ask that you vote in our behalf so that we may prove our understanding of your city problems, and our sincerity in dealing with each and every issue.

We have made our beliefs clear. If the voters wish the city run in a fair, economical, and business like way, then the GOOD GOVERNMENT TICKET IS YOUR TICKET.

Banquet Given On Pine Mt. Honoring Fish-Game Officials

A banquet was given at the Pine Mountain Hotel Monday evening honoring those responsible for the 5,000 acre game preserve located in the Pine Mountain region.

Mr. Alfred Smalley, representing the State Fish and Game Commission was the principal speaker; Attorney Stephen Combs, Jr., was the chairman for the meeting.

A promise was given by the officials to stock the preserve with various species of game at an early date.

Much credit is due our local townsman, Mr. D. W. Little former member of the Commission for his untiring efforts in helping to make the preserve a reality.

Fifty-eight of the county's leading citizens were on hand to welcome the guests and to enjoy the banquet.

Man Seriously Injured When Car Collides School Bus on Tuesday

The Neon-Fleming school bus, while on its way to the school on Tuesday morning, was struck by an on-coming car, seriously injuring Mr. Boonie Burkes of Jackhorn who was driving the car, a '39 Pontiac. He was rushed to the Good Samaritan Hospital in Lexington where he is suffering from a compound fracture of the left femur. None of the children were hurt on the bus, which was driven by Mr. Riley Isaac.

The accident occurred at the foot of Rockhouse Hill, a short distance above the Hemphill mines at about 7:30 A. M., E.S.T. The school bus was delivering both high and grade school children to the Neon-Fleming school.

It was reported by the State Police that the accident was caused by slippery highway, as it was raining at the time the accident occurred.

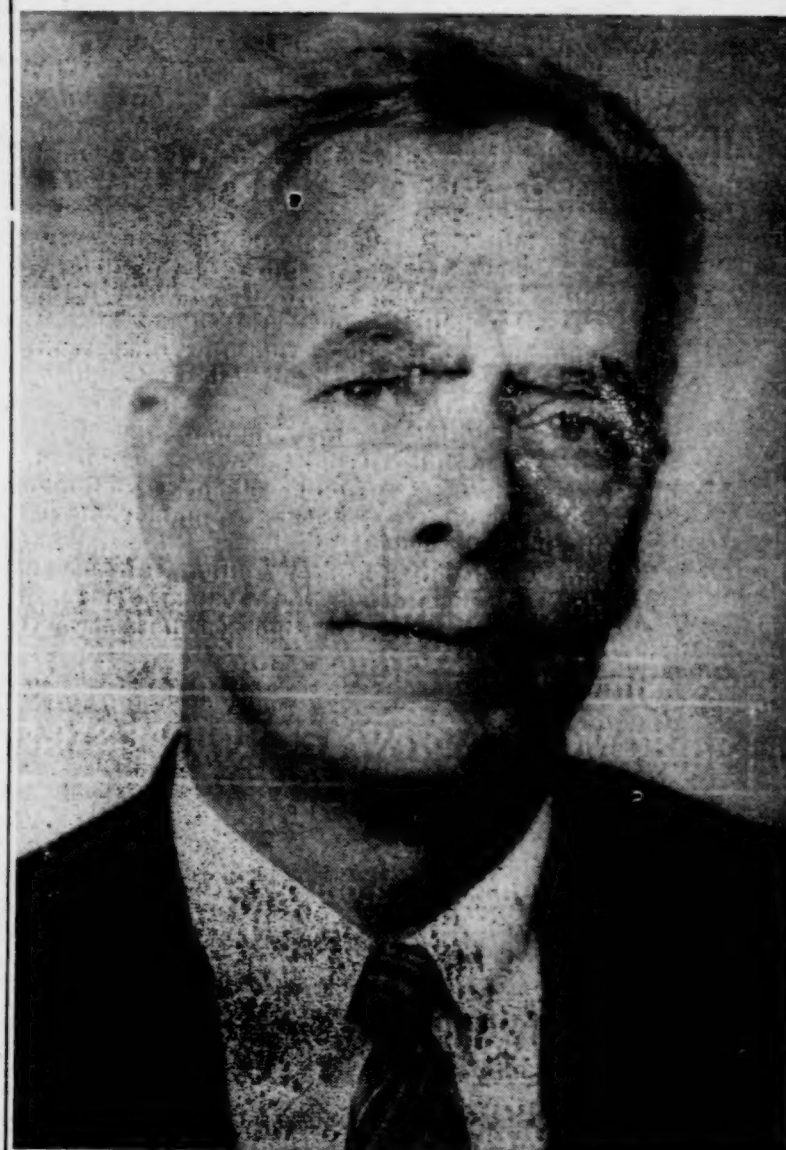

MRS. TROY W. FRAZIER'S LAST PLEA TO THE CITIZENS OF LETCHER CO.

As I come to the end of my campaign for County Court Clerk I want to ask you citizens a question. Who needs help a widow woman or a young man, who has had office four years and who is qualified to get a job and support his family like other men?

I believe you will consider the widow when you go to the polls and when you do, you'll never be sorry you did.

(Pol. Adv.) —MRS. TROY W. FRAZIER.

To The Voters of Letcher County:

We, the family of Johnny Fulton would like to take this method of appealing to you for your vote and support of our father for the office of Jailer of Letcher County.

Aside from our interest and hope in seeing him elected because of family ties, it is our utter faith and trust in him as a man which prompts this appeal. We know that the

people who know him personally are fully aware of the personal integrity and honesty which he would bring with him to the Office of Jailer.

The proof of this statement lies in the fact that, in the Primary Election, his home Precinct of Seco gave him a majority of 158 to 7 over his nearest opponent a ratio of nearly 24 to 1. This majority was compiled even though his opponents were good men in appeal. We know that the

Garden Club Meets

The October meeting of the Whitesburg Garden Club was held at the hospitable home of Dr. and Mrs. Preston Slone on Monday evening at 7:00 o'clock p. m. Mrs. Augusta Renaker was the assistant hostess. The attractive home was lovely throughout with vases of roses grown in the hostess own flower garden.

During the business session which was conducted by the president, Hiram Taylor, Jr., each member responded to the roll call by giving "The Color I Like Best."

Highlighting the program was the formal and informal table settings by different members, with Mrs. Lewis Ammerman and Mrs. Slone, receiving most votes for their arrangements. They were also recognized on their flower displays. Hiram Taylor received the door prize.

Following the program, the hostesses served a delicious refreshment plate.

Week of Prayer and Self Denial Program of the W. S. C. S. of the Methodist Church was observed on last Sunday afternoon at 2:30 in the sanctuary of the church. The program was presented by the spiritual life secretary, Mrs. Cossie Quillen. Mrs. Quillen gave a most inspirational call to worship, with Miss Ellene Salyer giving, "Glory Unto The Lord Our God." Mrs. Orval Hughes and Mrs. John Jordan sang selections at intervals during this period, with Mrs. Ruth Rice as accompanist. A prayer by Mrs. Barnette followed.

The program theme for the afternoon centered around the work of the Methodist missionaries, in the United States and abroad. Mrs. John Jordan told of the successive work being done in Alpine, Texas, a Mexican community. Mrs. Virgil Blair gave a resume of the work in an Arizona Indian reservation and Mrs. Zenneth Bentley gave an informative report of the work of Methodist Missionaries in India, the Philippines and Latin American countries.

Following the program a dedication of gifts was made at the altar.

The regular monthly meeting of the Woman's Society of Christian Service of the Methodist Church was held at the church on Tuesday evening at 7:30 p. m. Following a brief business session Mrs. John Jordan presented an interesting program on the work of agricultural missionaries in rural communities of foreign lands. Mrs. Jordan told of the beauty of the earth as God's gift to man and the responsibility of man in keeping the earth beautiful. Others discussing topics related to the subject were: Mrs. Cossie Quillen, Mrs. Bill Blair, Mrs. Zenneth Bentley, Mrs. Owen Pigman and Mrs. E. H. Barnette. Following the singing of "Faith of Our Fathers", a prayer was offered. The group present were served refreshments by the Susannah Wesley Circle. Jaycees To Conduct March For Books

The Whitesburg Junior Chamber of Commerce will conduct the Citizens March for Books and Money November 19.

The operation will be part of the Kentucky Bookmobile Project's statewide drive to collect half a million books for the state's 100 new traveling libraries.

The Whitesburg Jaycees, under the leadership of their president, Woodford Blair, have already plunged into the job of organizing for the huge task.

No Whitesburg quota has been set. The Jaycees will aim to collect as many books as they can. They will also solicit contributions of money to buy new volumes for the Bookmobiles.

The Kentucky Junior Chamber of Commerce, at a recent meeting in Louisville, pledged its units in 26 communities to conduct the March.

In areas where the Jaycees do not have an organization, plans for the March are being worked out with other groups.

The March for Books and money will be conducted between 7 and 8 o'clock on Thursday night, November 19.

The Whitesburg Jaycees will canvass every home in the area, block by block, to obtain both contributions and books.

Persons wishing to contribute are asked to signal the Jaycee canvassers by turning on their porch lights. A Jaycee representative will call at those homes.

The books collected in each community will be sorted in that community. School and public librarians will be asked to determine the use and disposition of the volumes.

The money collected by the Jaycees will be turned over to the local Bookmobile-campaign chairman in Whitesburg.

It then will be sent to the Kentucky Bookmobile Project's state headquarters at Louisville. There it will be made available to the State Library Extension Division at Frankfort.

This division, which has mass - purchasing facilities, will buy the volumes for the bookmobiles. Thus the greatest number of books available for the money will be assured.

Yellowjackets Sting Pirates

Yellowjackets Down Fleming Pirates Lafayette Next

The Whitesburg Yellowjackets stung the Fleming Pirates Friday night to the tune of 33-6, and put a tighter claim on the E. K. M. C. Conference Championship. It was a great night for the Yellow Jacket backs — Fields scored twice, one a spectacular run on a screen pass, as he scampered 83 yards for the t. d., however, we are not forgetting the key block down field thrown by Ralph Ogelvie, which cut him loose all the way—Bob Kincer also scored twice on runs of 14 and 85 yards. The last made possible by blocks thrown by Bud Fields, Bob Adams and Ralph Ogelvie. Jimmie Enlow crashed over from the 5 yard line in the fourth period to add the final tally. It seems as if the Yellowjackets' line led by Bob Adams and F. C. Hammonds have really made up their minds as to showing off their football ability, their defense is really beginning to toughen up and their down field blocking, which the Yellow Jackets have so desperately needed this year, is beginning to show signs of hustle and polish. Keep it up boys you are doing a good job.

Friday the Yellowjackets travel to Lexington where they will meet Lafayette, the No. 2 team in the State. The Lafayette Generals are big and rough, but seem to be lacking in speed. We have some Whitesburg fair weather fans who have already give up the ship due to the Jenkins-Lafayette game. However that 38-0 was no indication of

the game. First, Jenkins was without their great full back Collier; second, they got off to a very bad start having a pass intercepted for a touchdown early in the first quarter. Some of the Yellow Jackets squad have already indicated they are going to Lexington to demote the Generals and put them back in their ranks. Good luck boys, and remember we're with you team—see you in Lexington.

Cavaliers Outclassed By Lafayette 38-0

The Jenkins Cavaliers found the trip back to the mountains a long one after being outclassed by the Lafayette Generals 38-0, last Saturday afternoon. The Lexington team scored the Jenkins fray as number 8 in their unbeaten string and has yet to face Whitesburg, Covington, Henry Clay of Lexington and Lynch, any of which may spoil the Generals' championship dreams. The Jenkins team, having lost all hope of wearing the Big Sandy laurels, will be seeking its sixth win in nine starts when the Cavaliers play host to the Belfry Pirates this Saturday night.

Last Saturday's crowd saw Lafayette dominate control of the oval throughout most of the game, and only on a few, widely scattered occasions did they see the puny Jenkins offense reach its peak. One of these occasions was on the second exchange of the pigskin, but this threat was short lived when Polly grabbed a Ricketts throw and scattered 70 yards for the first score of the game. From then on it was Lafayette all the way.

Several of the Cavaliers do

merit praise for their performance, however, and foremost among these is Cobb Collier, whose game time was limited to three plays because of a back injury. Collier first entered the game late in the second quarter to return a Lafayette kickoff 15 yards. On the next play he bucked into the General line for five yards before being taken from the game. He was called upon to quick-kick in the third period.

Raymond Ricketts, when given enough time by the Jenkins forwards, was able to pass successfully. Aerials to Bobby Asbury, and Hodges netted 41 yards for the visitors.

Frank Asbury played his usual game of standout football from a flankman position. Percy Elkins was the only stand out in the center of the Jenkins line.

Burton Bradley was, without question the "star" of the afternoon. Bradley gained 35 yards to lead the Cavalier rushing and stopped the General distance runners from his safety position.

As for the Generals—well, the score says enough for them.

Halloween Carnival Usual Success

The Halloween Carnival has come and gone again with the schools patrons making it the usual success. The halls and class rooms were filled to overflowing with merry jostling crowds, while highly amateurish carnival barkers squawked their wares, nickels and dimes trickled in to take care of the needs of the school. Parents joined in with the children to put on variety shows, negro minstrels, style shows, and similar entertaining diversions. The crowds that rushed their tents (classrooms) were sufficient proof that they were highly entertaining. Of course the outstanding event was the crowning of the King and Queen and their dubbing the Prince and princess.

Selected for these enviable positions this year were Eugene Sparks, King; Eva Lou Everidge, Queen; Owen Wayne Wright, Prince and Mary Lee Gentry, Princess.

The crowning indeed was a colorful unforgettable scene. It centered around the theme Deep Purple, the coloring being carried out very effectively in all decorations.

Mrs. Jackie Owens and her assistants are certainly to be commended for their exemplary work.

Miss Patsy Ann Fields was quick to demonstrate her ability in organizing and carrying out such a project. Everything was planned in black and white and worked efficiently. The morning after school officials were thrilled when Miss Patsy Fields reported a total of \$2961.09 had been realized from the carnival. This amount was immediately turned over to the P. T. A. which will decide the most pressing needs of the school and just how the money should be spent.

Boy Scouts Hold Camporee At Seco

The annual fall camporee for the Letcher District was held at Seco, Saturday and Sunday, October 24 and 25. Troops attending were Whitesburg, Burdine, Seco, and the Troop from the Regular Baptist Orphanage at Van, Ky.

The Camporee, designed to give the Scouts attending a broader knowledge of basic Scouting skills, was centered around demonstrations of these skills given by the boys themselves. Demonstrations were given during the camporee were on first aid, rope work, aluminum foil cookery, and compass orientation.

Saturday evening, John I. Dean, Scout Executive for the Lonesome Pine Council, presented a program of color slides taken at the National Jamboree, Irvine Ranch, California. Following the slides, Omer Champion of Seco who attended the Jamboree de-

scribed his trip to the Scouts.

As one of the closing features of the Camporee, the entire group attended Sunday School at Seco Sunday morning.

The Troops were judged as to their camping ability. Each Troop site was inspected and rated. All Troops were rated very highly. The Scouts were urged to follow the same procedure in all their Troop camping.

Whitesburg Leads EKMC In Wins

The Whitesburg Yellowjackets stand alone at the top of the Eastern Kentucky Mountain Conference football race.

Last weeks play saw Prestonsburg eliminate Belfry from contention, and Edd Moore's Yellowjackets boosted their stock by drubbing Fleming 31-6.

Pikeville defeated Wayland by a 12-6 margin; Wayland downed Elkhorn City 19-6 and Prestonsburg beat the Belfry Pirates before 3,500 home coming fans by a score of 7-0.

Conference	Standings:	W	L	T
Whitesburg		5	0	0
Pikeville		6	1	0
Belfry		4	1	0
Jenkins		4	1	0
Prestonsburg		2	3	0
Wayland		2	3	0
Paintsville		2	4	0
Elkhorn City		0	6	0
Fleming		0	6	0

This weeks games will find: Wayland at Prestonsburg, Hurley, Va., at Pikeville, Corbin at Hazard, Whitesburg at Lafayette, Paintsville at Elkhorn City, Belfry at Jenkins. Saturday Fleming will play Evarts.

'Bear' Facts-

By PAUL BRYANT
UK Football Coach

LEXINGTON, Ky. — Football historians of the next decade, tracing the trends of the grid sport and consequences of the abolishment of two-platoon rules, will undoubtedly mention the beginning of the new era in terms of effects felt by the many good teams.

While the record indicates an apparent connection between the rules changes and the success (or lack of it) enjoyed by grid units representing schools of varying reputation and size, I believe another aspect might be explored as perhaps even a more basic topic.

This is the fairly obvious reality that a large percentage of the highly-touted, offensive backs are not doing so well in their attempt to live up to the reputation built up during the days of free substitution. I would not say that any of them are complete washouts by any stretch of the imagination. In fact, most are still very dangerous performers who can win for you. What I mean to point out is that they are not doing as well under two-way play conditions as they might have been expected to do on the basis of normal improvements over good performances of last season.

The rule forbidding free substitution for these backs has been directly responsible for this condition. Reasons for it are two-fold: (1) No offensive specialists are in there to help and (2) defense takes something out of the star offensive back, making him less effective carrying the ball.

For a few illustrations of how good backs are not making sensational showings, you need not look further than the

Southeastern Conference. Take the case of Leon Hardeman and Bill Teas of Georgia Tech, Alabama's Bobby Luna and Corky Tharp, Max McGee of Tulane and Florida's Rick Casares.

In fairness to the few top backs who haven't been bothered by the substitution limitations, I should mention a couple of boys who'll be thrilling the fans and their coaches a good deal this year—Jackie Parker of Mississippi State and Kentucky's own Steve

Meilinger's efforts have been hampered to some extent but not enough to keep him from consistently coming up with fine performance in the clutch. These are the real athletes who should rate high mention in any future analysis of the rules changes.

TO THE VOTERS OF MAGISTERIAL DISTRICT NO. 7:

Again I want to take the time to urge all voters to go to the Polls on November 3rd, and vote for their own interest, for Magistrate and not just the candidate involved. Friends, I am not asking to be your Magistrate just for my personal gains, I want to be a servant of you good citizens in our County, and I will prove that justice can be obtained and I shall strive hard for a better community in which to live. I have practically covered all of our district and find that we are not getting our share of road funds, which are being justly collected, for this purpose. Now, if you good citizens are satisfied with the administration you have had in your Magistrate's office, it is your duty to vote for it to stay in the same family; if you want a change, I will promise, if elected to this office that all of you good people will get your share, as you all know when it is Democratic at Frankfort, our Capitol, it is not possible for a Magistrate of the opposite affiliation to go to Frankfort and get the things that we are justly entitled to; you know when we elect the president of the United States, we should elect the house,

the same politically, so we would not have friction with each other.

Now Friends, the rumors are going if I am elected Magistrate I would put all funds on the road up Webb Creek at Sergeant. Well, if that's true we would not get very much, for we only have about one-half mile for repairs, and I have promised them the same consideration that I will give and do to all precincts, I promise and pledge that I will try to equalize all appropriations and see that you all get a fair and equal share of the same, as you know we all pay the same amount of taxes in proportion, and are entitled to get our part.

This will be my last chance to get to appeal to you voters for this office. I wish again to thank each and everyone of you, for the consideration you have shown during my campaign, and also for the help I have had from you good Christian people. I shall always be ready to help you, in any way possible, to all my friends and relatives I will always offer you a helping hand, and shall never forget all of you who have made it possible for me to finish my campaign, in the manner in which I have done, so far, and I have told you that if elected, I will be sober, honest, and will give full time to this office to fulfill the duties of the Magistrate for the betterment of our district.

My Platform:

1. I will fulfill the duties of the office to the best of my skill and ability, and serve the people of my district and county honestly.
2. I will see that my district gets its legal share of all appropriation for roads and bridges, and will cooperate fully with our National, State and County Governments, in sponsoring any program for building of roads and schools, etc.
3. I will give full protection to our Churches, Schools and Public Meetings as far as within my power to do so.
4. I will give those brought before me fair and impartial hearings in accordance with our laws.
5. I will see that the taxpayers' money is used economically and spent wisely.

Hoping you have a good election and may the best man win, I still remain,
Your best friend,

—GEORGE WILLIE WEBB.

Jenkins Board Of Education In Favor Of Voting "YES"

The Jenkins Board of Education desiring to go on record as favoring amendment of Section 186 of the Constitution of Kentucky the following motion was offered by Roy Mullins:

The Jenkins Board of Education recognizes that the present method of distributing the school fund to Kentucky school districts is unfair and causes inequalities of educational opportunities among the school districts by distributing funds without regard to need or ability of the several districts to provide for the education of the children.

If further recognizes that the present plan required by Section 186 of the Constitution is wasteful because it distributes money for the education of children that never enroll in the public schools, thus disregarding a principle of sound business.

It therefore condemns the present method of distribution of school funds as provided by Section 186 and calls upon the people to help correct a great injustice to the educational system of Kentucky by voting to amend Section 186, by voting "YES" on November 3.

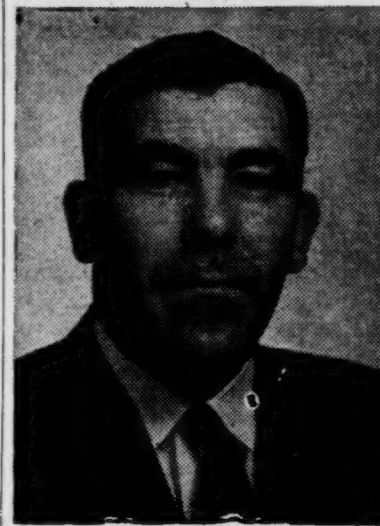

This motion was seconded by Eunice Burps and unanimously carried.

C. V. SNAPP, Secretary,
Tony Dann, Chairman.

Vote "YES" on Constitutional Amendment No. 1.

Pine Mountain Baptist Associational Missionary

—By Rev. John R. Isaacs—

This my friends, finishes a series of three articles about a young Baptist preacher who came to Letcher County in 1939. You, of course, have guessed by now that the person is the writer of this article.

In 1939 I came to Neon as the Pastor of the Neon and Haymond Missionary Baptist Church. I first lived on Neon hill under Nathaniel (Nat) Craft, later at Haymond, then back over the church in Neon, and finally at Fleming where we bought one of the small houses.

Many times it was hard to understand why God lead through different circumstances to what I am now doing. I taught school at different times for six years, but never ceased to preach full-time in the Lord's work, and finally began to realize that all these experiences were leading toward doing a larger over-all work for the Lord. In 1949 with our State Mission work with our State Mission Board in County Mission work. Here it was I realized that every contact I had made in school was valuable to me. I began to visit all the areas of the county and to learn the different needs of the county and to get acquainted with the people of the county and to know their connection with the life of the county. In 1950 I had the opportunity of working with the newly formed Pine Mountain Association of Missionary Baptists in Ky., and I have worked as such since that time.

I have one conviction — the Lord knows what he is doing, and we fit into the Lord's plans somewhere. It is our job to find that place and fill it to the best of our ability. I am conscious that God led me this way, and that I am doing His will now, and that satisfies me. Success is not mine to determine, but rather the Lord's business. My job is to be faithful. I more, conscious than anyone else, know that I am not a big preacher, but I also am conscious that a life well-lived is as much a sermon as the words we say from the pulpit. I have tried to live so that the accusing finger of the public could not condemn me in my living. I have had many disappointments some do not know about and cannot understand, but my own heart condemns me not. I am here until I feel the Lord wants me at some other place of duty.

I am here to serve the Lord in any capacity I can. Many do not know for I have seldom mentioned the past, that I could work at other places. The Lord permitted me through his providence to work my way through school and to gain a high school diploma, then to work my way through college attaining an A. B. degree, then to finish three years in our best Seminary at Louisville, obtaining the degree of Th. M. (Master of Theology). This is perhaps, the first time I have written this fact for the public to read, and I only mention it for this reason—I believe the best we can give to God's work is not too good, and if I have anything that is worth anything, then my desire is to give it all into God's hand for his use here on earth. The Lord knew why I was coming here, and though I did not know, He prepared me for my work. I had to teach in order to support myself so I could preach. The "war years" came along and I felt my duty (patriotic duty) to help

out in the teacher shortage, thus came an opportunity to fit into the community life as well as to preach the gospel. Many other things I could write about, but I have felt a responsibility before God to relate something of fourteen years of my partnership with the Lord here in Letcher County. (This finishes my story).

Our Associational Sunday School meeting will be at the Whitesburg Baptist Church at 3:00 p. m. (EST). Nov. 1, The newly elected superintendent, Ted Bumgardner, will be in charge, and the old conference leaders will be in charge of the conference work. Let every church be represented at this first meeting in the new year.

The Stewardship Revival will continue through Friday night, October 30, and our Executive Committee meeting will meet November 2, with the Jenkins Baptist Church at 10:00 a. m. (EST).

The Training Union planning meeting will meet Saturday night at the Whitesburg Baptist Church at 7:00 p. m. (EST). The purpose of this meeting is to plan our work in Training Union for the coming year. All the leaders are urged to be present. Rev. Bailey Sadler will be in charge.

Now a brief thought, "If the light that is in thee be darkness, how great is that darkness." Could you possibly be wrong in your opinion? If thine eye be single, thy whole body shall be full of light.—We must be "right" then we must give our all to that "One" thing.

See you next week.

Regular Baptist Orphanage News

The Directors of the Regular Baptist Orphanage thank every one who so generously helped to make the pie supper at the Court House Saturday night, October 24 a success. We also thank Radio Station WTCW at Mayking for making the announcements.

Home baked cakes, pies, candy and four quilts were sold for the benefit of the orphanage. The proceeds amounted to \$375.00.

The Boy Scout Troop from the Home was entertained by the Scout leaders at Seco this past week end. They reported a wonderful time.

Betty Mullins, one of the girls at the home has been very ill and was in Fleming Hospital several days, but is much improved and is back in school now.

The children and everyone have missed Mr. and Mrs. E. P. Smith of Hazard, since they went to Florida where Mr. Smith has been recuperating from a recent illness. Mr. Smith is one of the directors and since he is a retired business man he had been visiting the Home quite frequently all summer.

Several improvements have been made this summer, including bath rooms. They now have 23 children and have investigated six more whom they will probably take as soon as accommodations are available.

Despite the dry season, they have had bountiful crops this year. They have plenty potatoes. Their deep freeze is full of food and several hundred cans of vegetables, fruits and jams, jellies, preserves and pickles for winter use. Of course there are many things they will have to buy like flour, sugar, etc, also winter clothing and coal.

Mr. Ratliff, who writes for an Ashland, Ky., newspaper stayed all night at the home recently and took pictures of the children. He has been a friend since the home was founded.

The Orphanage is planning to have its annual home coming dinner late in November and everyone will be welcome to come and visit with us. The time will be announced later.

We thank the friends who attended Little Rock Church, Kona Sunday and contributed \$46.35 to the Orphanage.

Nominations in Rexall's Boy and Girls Contest at Quillen Drug Closes October 31.

Sen. Cooper Speaks To 200 Local Republicans At Daniel Boone Hotel

Sen. John Sherman Cooper

Senator John Sherman Cooper addressed an audience last Wednesday evening at the Daniel Boone Hotel of some 200 Republicans. Senator Cooper in his speech touched on National issues and referred only briefly to the local issues involving the fourth coming county election. He referred to the highway activity in which numerous roads are being improved just before election day. That this condition existed through out all the counties in the state. He stated that he did not want to interfere in county elections or create any friction but hope that those present would work for the election of the Republican Nominees.

Senator Cooper left shortly after the conclusion of the dinner for Somerset and is peering today in Hopkinsville, Ky.

The meeting was sponsored by the Young Republican Club of Letcher County and the meal was prepared by the City Cafe.

Among the candidates present were: Bill Hall, Cora Frazier, Gordon R. Lewis, Edw. Holbrook, Clarence Baker, Bill Adams, Gilbert H. Polley and J. C. Day.

LEGION NOTES

The McClellan Anderson Post 104 of the American Legion was highly honored by the large number of Legion and Auxiliary members who attended the Tenth District Conference. T. H. Hayden, Department Adjutant, drove from Louisville to deliver an inspiring message about the work of the Legion and the advantages of being a member of it.

Mr. Hayden reviewed briefly the work of the Legion in helping to get the G. I. Bill written and passed, and the work of the Legion in protecting veterans hospital rights. Many persons do not realize that veterans' organizations are constantly on the alert to protect the rights of those who have already fought as well as those who are now fighting. Just as veterans, when soldiers combined to down their enemies on the battlefields, so should they join themselves together to serve their community, their state, their nation, and their comrades in times of peace.

Currently the Legion is taking an active interest in three phases of community life, the schools, the Boy Scouts, and the adolescents. Through several mediums the community is being reminded of the work of the schools—how they help to lay the moral and spiritual foundations for a good citizen, how they teach the fundamentals of good character, as well as the three "R's", how they help to build the national strength through the teaching of our American heritage. Let's take a more appreciative look at the things our schools do, and help them in every way possible to do their work better.

The next regular meeting of Post 104 is November 1, 1953.

The polls will open Tuesday morning for us to vote for the candidates of our choice. It is up to the voters of this county to elect good clean men for office. So go out and vote.

GARMENT FACTORY? NO! AUTOMOBILE PLANT? YES!

A never-ending source of surprise for visitors to Studebaker's automobile plant in South Bend is the upholstery department where scores of skilled seamstresses, operating row upon row of sewing machines, fashion the seat and head lining, door trim, and other interior fabrics for Studebaker passenger cars. Visitors are astonished that great numbers of women, no less than men, are needed to build the motor car of today. Inset shows Mrs. Bertha Waldo, 3302 South Michigan St., South Bend, typical of the distaff side of Studebaker craftsmen, at work on her sewing machine. Mrs. Waldo will soon round out her 31st year with the company. Her husband, a member of the engineering staff, is also an employee of many years' standing. A daughter, with a record of 17 years with the company, completes the family group.

BLADES of BLUEGRASS

by Boyd Keenan

Lexington, Ky.—The Day Book used by Lexington's old Phoenix Hotel more than 150 years ago was given to the University of Kentucky library recently by William Scott Sneed of St. Louis, and a glimpse at the yellowed pages of the ledger reveals some interesting facts relating to the habits of those who frequented the inn.

The account of Henry Clay, whose famous "juntos"—political gatherings—were held when Mr. Byrd's account got at the Phoenix, starts on page 27 and is carried forward to Page 66. Items charged to the Great Pacificator's account included lunch, supper, wine, sundries, bounce, punch, brandy, and beer. On Feb. 14, 1801, he borrowed about \$5 from the hotel.

In a letter accompanying the Day Book Mr. Sneed writes: "The account of Charles Scott, who probably was General Charles Scott, one of my forebears, appears on Page 39. Since there is only one entry, he apparently was more abstemious than some of the other gentlemen, or else he could pay in cash, which I rather doubt."

"On Page 48 is an account of Charles W. Byrd, no doubt related to the Byrd family of Virginia. He used to ride, over, as the entry shows breakfast for his horse. He not only indulged in food and drink but also used to obtain cash from the hotel, as evidenced by entries in the account."

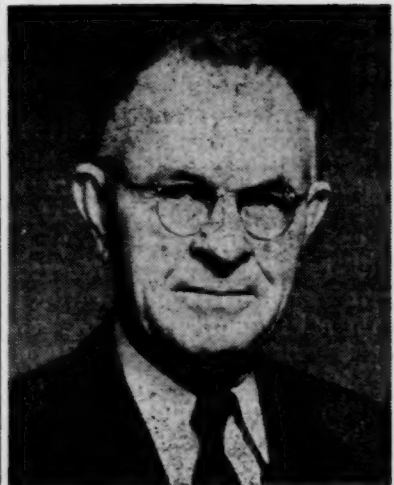

"A pound at that time was apparently worth three and a third dollars, which is more than the two dollars and eighty cents it is worth now. Too high, he used to send his negro man, Ned, to work it out, as shown by the credit side of the account."

First entry in the Day Book was dated May 2, 1797. Beverages and "sundries" appeared to be the most popular items dispensed by the tavern, and supper could be had for three or four shillings (a shilling is one-twentieth of a pound). Room rent for three months cost one lodger 11 pounds five shillings and another paid the inn four pounds one shilling for "keeping of horse 9 weeks." Other interesting entries "To cash lent you at cards," whiskey and oats, "Cash paid washer woman, two shillings."

Items bought by the inn included 33 1-2 gallons whiskey (six pounds 14 shillings), one barrel beer (two pounds eight shillings), and two pair men's shoes (12 shillings). The UK library, now one of the largest in the South, contains more than 600,000 books and manuscripts.

Local Rotarians Hear Report of District Governor W. L. Cooper

W. Lee Cooper

The Rotary Club of Whitesburg was delighted to have one of its own members and Governor of the 235th District of Rotary International give his report on Tuesday. Governor Cooper has been making his annual official visit to each of the 41 Rotary Clubs in the Eastern section of Kentucky. At this meeting he conferred with all of the local officers on Rotary administration and service activities.

Mr. Cooper is superintendent of Stuart Robinson School near Blackey and has been one of Eastern Kentucky's Educational leaders for over a quarter of a century. He was elected District Governor of Rotary International for the 1953-54 fiscal year at the annual Rotary Convention in Paris, France, last May. He is one of the 212 District Governors supervising the activities of some 8,000 Rotary Clubs which have a membership of 372,000 business and professional executives in 86 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club here because they are based on the same general objectives, developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the past fiscal year, for example, 217 new Rotary Clubs were organized in 42 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

How Much Insurance Is Enough?

The 54th wedding celebration of John and Sarah Fields took place on Sunday, October 18th at the old home place on Bull Creek at Carcassonne, Ky., with 30 of their children and grand-children present. The couple was showered with gifts and songs.

Uncle John was 78 years on October 5th, and Aunt Sarah was 73 on April 19th. All had a wonderful time. The center-piece consisted of a large white cake, decorated in Gold, and baked by the Pulaski Bakery of Somerset, Ky. Old and new songs were sung, and pictures were taken. It was a beautiful sight in the hills, with leaves of all colors, red, gold, yellow, and brown.

Those present included: Mr. and Mrs. W. L. Collins from Somerset, Ky.; Mr. and Mrs. Noah Eldridge and children: Lillian, Herbert, Harlan, Kay and Lorane, of Carcassonne; Mr. and Mrs. Deward Brown, and children, Norenda, and Stevie of McRoberts; Mr. and Mrs. Archie Haynes and girls, Kay and Lorane, of Carcassonne; Mr. and Mrs. Orville Monhollen and children, Eddie and Zondra, of Kodak; Mrs. Thelma Fields and children, Wilson Jr., Edd, Little Dock, and Nell, of Carcassonne, and Mr. Elbert Chapman of Lexington, Ky.

An Appeal To The Voters of Letcher Co. First of all I want to congratulate Sheriff Hassell Stamper and his co-workers for the good work they have done in cleaning up the whiskey and roadhouses in this county, and for the freedom we have in traveling or going to our churches and schools. It is so pleasant to go any place we want at any time. I give God the praise first of all and praise him for guiding their minds to do this good work. Now I want every voter to lay aside politics and vote for the best man.

Especially appeal to the ministers of all denominations and Christians to think while it is time and keep our County dry. If you think I am right get busy there are only a few days left.

Brother William E. (Bill) Hall that is running for Sheriff has belonged to the same church that I do for about 16 years and he is strictly a faithful member and his word is very good or just plain good. He will make us a good Sheriff if elected. Now all you Christian people are commanded to love each other by our Lord and it is our duty to stand by and help each other. And there are lots of good citizens that want a good clean dry county. So think good people before you vote and

leave out politics. I don't have anything against anyone. Just want to keep the County dry and good just like it is now. Have heard a lot of promises that has been made to different people at different places that don't sound good but not by our Mr. Hall. So pray before you vote.

Yours for a Christian voting.

Dear Voters o Magisterial District No. 7:
8404 So. Tacoma Way.
Tacoma, Washington

I want to thank each and everyone for your wonderful support that you have given my Uncle, George Willie Webb, in his nomination for Magistrate. It is greatly appreciated.

He is a fine person and deserving of your most loyal support. He has always been for that which is right. He is unselfish, accommodating and willing to help his fellowman at anytime possible, never putting self first.

I know he will make an honest and trustworthy public servant for all of you. Here's hoping for his success and thanking you again.

God bless you,

OUR REPUTATION RIDES WITH EVERY CAR AND TRUCK WE SELL!

TO THE VOTERS OF MAGISTERIAL DISTRICT NO. 7:

In making this my final appeal for your votes, again I want to express my sincere appreciation for the help you gave me in the Primary, and the encouragement I have received in this my final race.

Again I renew my former pledges to you, that if you elect me I will do all in my power for your district and assure you that you will receive your just proportion of the improvements during the next four years.

If elected, regardless of rumors you may hear at the last minute, I will be your Magistrate and personally conduct the affairs of your office in an honest, efficient, businesslike and courteous manner, with justice and fairness to all.

I am a veteran of World War II, and the father of two children, whose mother died when the younger was only 18 months old, and until a year ago when I remarried to the daughter of Mr. and Mrs. John Stidham, I made every effort to be both a father and mother to them, and a vote for me is a vote to help these children as well as my wife and myself, and is also a vote in your personal interest. And should any mother's child come before me for trial, I will consider and treat them with the same regard as if it were one of my own.

I am going to make a clean and honest race, have no mud to throw and no axes to grind, and ask the good people to be on guard for any last minute derogatory and false rumors, started in a desperate effort to influence you in casting your votes against me.

Again appealing to you for your votes and influence in this race, and assuring you that I will never give you just cause to regret having elected me, and thanking you, I am,

Sincerely Yours,

—EDWIN HOLBROOK.

STUDEBAKER'S 1,912,340th POSTWAR AUTOMOBILE

Studebaker's 1,912,340th postwar automobile which came off the assembly lines a few days ago had an especial significance for the century-old Indiana automobile firm. It took Studebaker exactly 20 years to build 1,912,340 cars and trucks prior to World War II, but only slightly less than eight years to build the same number since the war ended. Executive vice president P. O. Peterson in charge of manufacture, and K. B. Elliott, in charge of sales, left to right, were on hand as the record-establishing car, a Commander 5-Door coupe, came off the line in South Bend and was prepared for shipment.

Rotary Winners

The Whitesburg Rotary Club honored Rotarians Archie Craft, Dr. Sloan and Pearl Nolan, with gifts for their work on the Community Birthday Calendar which they did in September. These three men along with their helpful Rotary Anns solicited more than half the names

which were put on the Whitesburg Calendar.

The money which they helped the club to make on this project will go to worthy and needy causes.

The club is very appreciative of these Rotarians and their wives and it is hoped that next year the whole club will work as hard as these.

Let's fight for safety. Yes, when you fight for safety live. This coming week is friends, you are fighting to named Safety Week. This is your week good friends. This is the week which depends on you on how you drive, and how you walk. So remember, walk and drive with care. Winter is coming on and the roads will become slippery, is the darkness will surround many of us before getting home from work. Take heed of this danger, and slow down at sun down.

There will be a safety meeting at the Grade School Auditorium, on Friday, November 13, at 6:30 p. m. (CST). This time is set in the interest of those who live in the Eastern Time zone.

Everyone is invited to come and bring a friend with you. The main purpose of this meeting is to set up the safety councils in this county, and without you we cannot have such a council, so we are asking you to cooperate in every way in making your program a success. Don't let it down, be there. Just keep in mind your life may depend on this program, or the life of some one you love.

Cast your vote November 3rd for Arthur T. Scott for Mayor of the Town of Jenkins. He is an honest and sober man. Your vote will be highly appreciated.

Volume No. 47

Whitesburg, Letcher County, Kentucky, Thursday Evening, October 29, 1953

Number 23.

TO THE VOTERS OF LETCHER COUNTY

This will be my last appeal to make before the election in this paper. Things are going good. People all the way from Marshall's Branch to Ulvah and from Deane to Gordon are going all out to keep the roadhouses and whiskey joints out of Letcher County. They want it clean. They don't want their children and wives to be afraid to step out of the houses in order to fatten the pocket books of someone. They want good schools, good roads, and more churches. We are living in the best County in the State of Kentucky and let's keep it that way. Why I've seen the time that you would be pushed off the streets by some man that had spent his hard earned money for liquor. We don't want that to come back. Letcher County is on the upgrade. We want better homes and the better things of life and we can only have these things by working for them. Let's not lose our voting privileges and give it over to the hands of a few as to who will be our officers. Let's keep that God-given privilege in our own hands.

You will and are hearing all kinds of rumors. But as I have said before you can only judge the future by the past. Go back and check my record all the days of my life which have been spent here in Letcher County. I belong to the same church that my mother lived and died in. She lived a good Christian life and I want to do the same. I want to be a Sheriff that you will be proud of. One that your children will not be afraid of but will learn that I am their friend. A good clean County can only be had by having good clean men as your officers. A Sheriff that will cooperate with the officers all over the County. A government that will be by the people for the people and of the people.

So remember these things and vote for a man that don't care for you to judge the future by the past. Have a part in making this County stay Dry and clean. The Bible says woe be unto the man that will put the bottle to his brothers lips. Don't have any regrets to make, just vote for good government at the start.

Yours for good clean government,
WILLIAM E. (BILL) HALL.

(pol. adv.)

Harry M. Caudill Asks Support Of Voters:

In less than two weeks the people of Letcher County will choose their Representative for the 1954 session of the Legislature. As the Democratic Nominee I have already stated in the columns of this paper, the things I propose to work and vote for. I have given my public pledge to wholeheartedly support the following:

1. **REPEAL OF THE OLD-AGE PENSION MORTGAGE LAW AND INCREASED OLD-AGE PENSION PAYMENTS.** No old person should be required to mortgage his little home in order to receive this help. I also believe the provision in the law that allows old persons living in Jefferson County to own \$5000.00 worth of land and draw the pension while our mountain people cannot receive it if they own more than \$3,000.00 worth of land each is discriminatory. The same property ceiling should apply to people living in all counties.

2. **GOOD ROADS THROUGHOUT OUR COUNTY.** I believe it possible that every major creek in the county can receive a rural highway within the next four years if the proper effort is made by our local officials.

3. As a disabled veteran of World War II, I shall give sympathetic support to legislation for the benefit of Veterans, their families and their organizations.

4. **NEW INDUSTRIAL DEVELOPMENTS.** I am pledged to support our local and state labor, civic and industrial groups who are trying to bring new industries, such as paper mills, into our section of the state.

5. **CONSTANT SCHOOL IMPROVEMENT AND INCREASED TEACHERS SALARIES.** I pledge to the teachers my unqualified support of their Proposed Minimum Foundation Plan. I believe it to be of supreme importance to our schools, for the "Good School" Amendment to pass (Sec. 186). I shall support legislation to advance our schools and equalize salary schedules all over the state.

Heretofore in life when I have needed help financially or otherwise, I have turned to my friends without first inquiring of their politics. Now, needing the support of the voters of Letcher County to win this race, I turn to all alike, both Democrats and Republicans. If elected I will be the chosen servant of all the people and no party or political consideration will ever cause me to do an injustice to any man. If elected my term will last only two years and if my service to the people is not fair, honest and effective they can and should then retire me from office. Won't you give me this opportunity to serve you?

—HARRY M. CAUDILL.

Phyllis Ingram Rated Excellent In Pikeville Speech Festival

Phyllis Ingram, of Kingdom Come High School, Linefork, was rated excellent in discussion at the Pikeville Regional Speech Festival held Saturday, October 24. The meet is held each year at Pikeville Junior College.

Only three of the 34 students taking part in the discussion event received the highest mark of superior, and 12 were judged excellent, it was reported by Dr. A. A. Page, college president. First place in public speaking was won by Janet Stout, of Napier High School in Perry County.

A total of 36 students from 122 high schools took part in the meet, which included only the two events, both using the subject "The Minimum Foundation Plan for Education in Kentucky."

Mrs. W. B. Hall is speech coach at Kingdom Come.

Dr. Gifford Blyton, of the University of Kentucky, headed the judges, who also included two University students.

UK HAS RADIO STATION

The University of Kentucky has its own radio station carrying the call letters of WBKY. Students taking courses in Radio Arts, and others of demonstrated talents, are permitted to gain actual broadcasting experience by filling positions on this station.

Ison, Oscaloosa; Reba Blevins, Linefork; Darrell Crase, Kings Creek; Chaela Hale, Ison; and General Crouner, Jr., Blackey.

Enrolled in the Foundation School is James Holbrook of Kona.

LOYOLA PROFESSOR SPEAKS ON CAMPUS

Dr. Raymond V. Schoder of Loyola University delivered the first lecture of the 1953-54 series of the Kentucky Society of the Archaeological Institute of America at the University of Kentucky on Thursday, October 29. Dr. Schoder recently spent two years in Europe and the Near East to compile a collection of 6,000 colored slides.

STATEMENT OF

James M. Caudill Democratic Nominee for County Judge

TO THE PEOPLE OF LETCHER COUNTY:

When I entered the race for County Judge, it was my intention to visit every home in the county and personally talk to each of you. My family and I have just about accomplished this objective. If by chance we have missed your home, we would like for you to consider this as a personal message and a visit in your household, in behalf of my campaign. I am truly grateful for the warm welcome my family and I have received from the Republicans and Democrats alike.

I sincerely hope that I shall be granted the privilege of serving all of you for the next four years as your County Judge. REMEMBER, when you go to the polls, that if elected, I shall endeavor to promote good roads, good schools, good Churches, and a better county in which to live. I pledge my honor to all these and to you.

—JAMES M. CAUDILL.
(Pol. Adv.)

TO ALL THE PEOPLE OF LETCHER COUNTY:

In the Primary Election last August, first I asked the Democratic Party to nominate me for their choice as sheriff of your county. This they did by a nice majority and for which I am deeply grateful. My pledge to be a servant of all the people still stands and if elected to this office, I shall endeavor to fulfill every promise to the public interest.

MY PLEDGE RENEWED:

To protect the citizens of Letcher County.
To safeguard the schools, the churches and public gatherings.

To promote the continuation of the Good Road Program.

TO KEEP THE COUNTY DRY.

To serve the people, not myself.

It is rumored that the opponents to good sober honest government will be active in the county if I am elected. I am opposed to any force which will tend to destroy the rights of our homes and our children and will use the extent of the law to protect your rights.

As a Veteran of World War Two I tried to protect our Country.

As Representative I tried to protect the interest of the Mountain People of Kentucky.

As your County Judge I have tried to serve the people by administering the law fairly; by building new roads to most every section of the county; by improving the old impassable roads; by supporting the schools, churches and civic organizations and by supporting whole heartedly the DRY FORCES whenever and wherever they appeared.

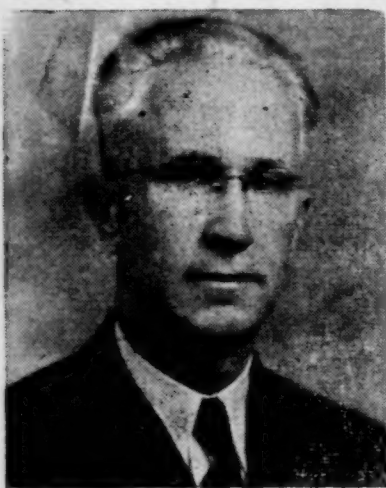

Now, I want to continue this service to you the people. I think the Sheriff's Office will afford me the opportunity to serve you the next four years as I have in the past.

To my friends of all walks of life, I appeal to you for your vote and support on November 3rd.

**YOUR PROTECTION IS MY POLICY,
YOUR INTEREST IS MY INTEREST.**

Respectfully,
—ROBERT B. COLLINS.

THE PARSON SAYS:

E. Hampton Barnette

The Lady of the Parsonage and I were calling on Mrs. Iva Maggard last week. She has moved into her spacious home near the football field. She expects to put a business in the ground floor of her new building.

Little Joe Lynn Maggard held up three fingers to tell me how old she is. I noticed her little knee had been hurt, and very sympathetically asked her what hurt her. She told me she had been playing football, and got tackled. That is what she gets by living so close to the football field.

We went to work on her knee to make it well. Her mother gave us some mercuriochrome and some band aids. First I had to get her consent to my operation, which she very fearfully did. When the operation was over she very proudly exhibited "the expert work to her mother, and said, "I am going to tell my little friends that my preacher fixed up my hurt knee."

I do not believe there was any breach of medical practice here, for most doctors would not likely recognize such care from me as unethical practice in the field of medicine.

Many people have been "tackled" by the sins that so easily throw them back behind the line of scrimmage. If only they would give the preacher a chance to help them bind up their open wounds and restore them to spiritual life, we would have a better world.

There is abundant life for all of us. God loves his children, and will stoop with his divine grace to heal our hurt souls. The church calls all people to its altars for spiritual healing the world so much needs.

The Rev. James Milford, Jackson, Tenn., is our preacher this week at Whitesburg Methodist Church. All Methodist churches in the East-half of Kentucky are in a Spiritual Life Revival.

With millions of easy-going, indifferent church folks, this is a time for a real Christian stirring of our hearts. None of us should allow ourselves to be satisfied with a half-hearted religious experience. Just to go to church, and serve on some important official capacity, does not make certain that the person is a Christian. It is one thing to be a church member, and quite another thing to be a Christian. Though I do not for a minute doubt the sincerity of a person's religion.

The Rev. Harry T. Barnett, pastor at Seco-Neon, and one of his deacons, Hillard Kincer, were just in the study. The churches in the Neon-Seco charge gave their pastor a shower of food, and linens. This old-fashioned "poundin'" is a good thing, and I recommend it. That is one beating a preacher can stand up to, and take some more of.

A very important professional man said to me the other day: "Did you hear that man preaching the other day against denominations? He stated that if there were more than one denomination, there was more than one God. Then he stated that there was only one church, true church that is, and that "True Church" was his own church."

I answered him very kindly, but emphatically: "No I never have a minute to waste listening to men who call themselves preachers ranting, raving, yelling, squalling, snorting, and abusing the churches. God is too precious to me to

waste time hearing some ignorant uneducated man giving his own interpretation of things spiritual, which are most often far from right.

We need some positive, clear, and lovely preaching that stirs men's souls to repentance and the new birth in Christ. We can do without a lot of so called "preaching" that lowers the level of religion, rather than lift people up to God.

When any kind of preaching makes me feel resentful, it is not preaching at all. The Gospel is "Good News", good news is never ugly and hateful to us. When some fellow beats his brains out with unholy criticism, of the church, and all that is good, you just put down in your little book that he has no Gospel but his own, and the world can do without that, and be better off.

It is the purpose of the Christian religion to lift people to the highest, noblest, and most Christian ways of life. When someone seeks to drag us down to a low level in religious thinking, then it is time to stop our ears, and run off to find something which will lead us to God and show us the way of salvation.

A wise old preacher once said to me: "When I hear a fellow, calling himself a preacher, go into a tail-spin and criticize the church and all that is white in this world, for the Church is the whitest thing on earth, it reminds me of a farmer's dog that goes jumping stiff-legged barking at a fast moving train going through the field. When the train pulls out of sight and leaves nothing but smoke behind, then the dog comes back with its tongue hanging out, slobbering, and licking its lips with its tail drooping, and seems to say, "Well I ran another train out of my field."

The church is of God. It is here to stay. No ignorant raving man can make intelligent people believe that a preacher like that has the answer to our world's sins. We need to attend the church, not criticize it. We need to love the church, not hate it. We need to join the service of the church, not think more of our selves than we do the church.

CLARENCE BAKER MAKES FINAL APPEAL TO VOTERS IN RACE FOR COUNTY TAX COMMISSIONER

DEAR FRIENDS AND VOTERS OF LETCHER COUNTY:

Since election time is so close, I suppose this will be my final appeal to you for your support in electing me as your Tax Commissioner. I have tried and am still hoping to see each one of you personally before November 3, but being a man greatly handicapped, by several operations upon my legs after leaving the Army, I think it will be impossible for me to get to each house in Letcher County.

First, I would like to tell you briefly who I am. I am a great grandson of the late Rev. Elijah Baker who settled in the Hemphill area many years ago, and great nephew of Judge S. E. Baker, a grand son of the late Henry Baker who spent the greater part of his life near Beaver Dam Creek on Rock House, and the son of Sherman Baker who now resides on Sandlick Creek. On my mother's side, I am a descendant of the late Andy Sergeant who settled in the Cumberland River Section some time in the early 1800's being a grand son of "Uncle Dave" Sergeant who lived on Indian Creek in the Rockhouse area.

I have lived in Letcher County all my life, taught school since 1925 with the exception of the three years I was connected with the U. S. Army, also a coal miner and farmer. Now I am 100 per cent unable to do manual labor and must depend upon some kind of office work. I have an A. B. Degree from Eastern Ky., State Teachers College and as a student of Government and Economics, and having successfully passed the state examination given to prospective Tax Commissioners, I believe that I am qualified to serve you taxpayers satisfactorily. The one promise that I want to leave with you is this: "If and when I am elected I will fight your battles here and at Frankfort to the best of my ability, never to discriminate against a person or persons because of differences, politically, religiously, race or creed and in the words of one of our greatest statesmen, "With love for all and malice toward no one."

In advance, my wife and children and I thank you from the bottom of our hearts for anything you may do for us in securing this office.

I do not now, nor have never had any help from the Government because they say my injury was not service connected.

—CLARENCE BAKER.

To The Voters Of District No. 7:

As the election is drawing nearer I want to thank all you voters for supporting me in the Primary Election, and I hope you will do the same thing, November 3. This includes both parties. If I am elected I will promise you all I will make a good officer and do my duty the right way. I will protect our schools and churches. I am a coal miner and if I am elected I will still work in the mines for a living.

I thank you.

A LETTER OF THANKS

The Mountain Eagle:
I have just returned from the funeral and burial of John Fox Hogg, my nephew and the son of Nancy Hogg of Oscaloosa, this being the second tragedy in that family in the past three weeks. I want to try in some way to express my appreciation and thanks to all the people who tried so hard to relieve the burden and grief that was thrust upon that family.

Everyone was just wonderful. Those that came to their relief were just too numerous to mention. If I should try to mention names I fear I might overlook somebody and I do not want to do that. So to everyone who came and to everyone that was there I want to say, I thank you. I thank you.

I never saw people try harder to be of service to a stricken family and I humbly pray that God in his great mercy will reward each of you for your efforts.

Women Work too Hard ...and they shouldn't

If hanging clothes on a line were the best way to dry clothes—then carrying heavy baskets and bending and stretching would be worth while. But they aren't—because with an electric clothes dryer you can dry clothes without any hard work. Results are amazing:

colors don't fade
towels, sheets, corduroys come out fluffier (need no ironing)
everything comes out sparkling clean

No chance for smoke, dust, or animals to dirty your wash. An electric clothes dryer saves time, too...dries an 8-lb. load of wash within an hour. And, you can dry clothes when you want to, day or night...rain or shine. It's the greatest work-saver ever invented for women! See a demonstration at your dealer's. You've got to see it to believe it.

GILBERT H. POLLY For Jailer

TO THE VOTERS OF LETCHER COUNTY:

Dear Voters:

If I am elected your Jailer, I will serve you, the people, in a friendly and courteous manner. No person will be placed in jail without proper procedure, and according to law. I will be kind and sympathetic with relatives and friends, who come to visit persons, who are in jail. There will be a visiting room in the jail for your convenience. Telephone service in the jail will be available at all times. I will keep the jail and courthouse amply heated, clean, and sanitary. The jail will be furnished with clean beds and linens. Persons placed in jail will receive proper medical care, if they should need it.

On November the third, you will cast your vote for various officials, who will serve you for the next four years. I hope that in making your decision for Jailer of Letcher County, you will cast your vote for me. Now friends, I am asking you for your vote and support in this campaign. I feel that my past service in Letcher County have been approved by the majority of you.

If I don't have the privilege of seeing each of you personally before election day, I want this to be a personal message to you, so that you will know that I want your vote and support.

Your friend,
—GILBERT H. POLLY.

KIWANIS SPIRIT

THIS WEEK:

Bert Fields, as Chairman and his two cohorts will attempt to bring a report on the 35th. Annual Convention — Kentucky-Tennessee District of Kiwanis International held in Lexington, Ky. October 11-12-13. This report should prove very interesting.

NEXT WEEK:

J. L. Witt will be chairman and his topic will be "National Radio and Television Week."

LAST WEEK:

Morris Burchett of Norton brought us a very interesting

program on photography last week. He told different ways on how to take a picture.

ATTENDANCE PRIZE:

The tie went to J. M. Stauffer last Thursday, and he better have it around his neck at our next meeting.

M. V. Bentley will bring the prize this Thursday.

Inez Pratt, of Whitesburg is attending Pinkerton High School at Midway for the present term. Inez was selected for the honor roll for the first six weeks of school.

If you are 16 or under, get your parents or friends to nominate you on or before October 31 in Rexall's Boy and Girl Contest. Look for details in paper.

Kentucky Senators Support Amending Of Section 186

In a statement released this week Senator Earl Clements gave his reason for supporting the amendment to Section 186 of the State Constitution.

Among reasons given were great inequalities made mandatory by present methods of school fund distribution, any qualities grown greater with each increase in the school fund.

Section 186 he said places a premium on non attendance or it may be a premium on future illiteracy.

Although there are supporting the reasons for amendment of section 186 he said the fact that it will continue a barrier to an equalized program which is the only guarantee of our elimination of illiteracy, justifies fully every Kentuckian support of the amendment.

This amendment if passed will assure sound foundation upon which education can build more rapidly in Kentucky he concluded.

Statement by Senator John Sherman Cooper regarding amendment to Section 186. "I intend to vote for and support amendment No. 1. I know that proposals to amend the Constitution of Kentucky are always carefully weighed which is proper. It has always been my belief that Kentucky's progress depends in greatest measure upon its educational progress in fact the basis of Free Government is education. I shall vote for and support the amendment to Section 186 because I do not see any early opportunity for substantial educational advancement in Kentucky except through this amendment."

Letcher County Public Library Makes A Friend

By various means the Letcher County Public Library has contacted many friends. One of the most recent is Miss Frances Lauterbach of Brookville, Ohio. Miss Gay Proffitt of the Whitesburg High School visited with Miss Lauterbach during the summer and Miss Lauterbach accompanied Gay here for a visit in the autumn. Gay took her friend to call on her teacher, Mrs. Lonnie Breeding. Both these women were interested in literature and soon fell to talking of books which eventually led to the Letcher County Public Library. Miss Lauterbach expressed immediate interest and since returning to her home has mailed sixteen books of the month selection to the library.

It seems now that this chain will not end with Miss Lauterbach. She in turn contacted a friend who is a columnist for a well known newspaper. This columnist plans now to double and triple our many friends. Let's just be thankful for such fortunate contacts and hope this means more and more books for the boys and girls in Letcher County.

FAMILIES ON CAMPUS

Two housing projects are located on the University of Kentucky campus. They are known as Cooperstown and Shawneetown and accommodate 498 married veteran students and their families.

Cast your vote November 3rd for Arthur T. Scott for Mayor of the Town of Jenkins. He is an honest and sober man. Your vote will be highly appreciated.

Sunday School Lesson

International Uniform Series

November 1, 1953

—By—

Rev. C. A. Lingle, Jr.

LESSON VERSES: Genesis 1:27-28; Deuteronomy 6:4-9; Proverbs 6:4-9; Matt. 19:3-9; Luke 10:38-42; Ephesians 5:21-6:4; II Timothy 1:5-7; 3:14-17. (To be read and studied in your Bible).

PRINTED SCRIPTURE: Deuteronomy 6:4-9; Ephesians 5:21-6:4.

The day in which we live has seen many of the institutions that have made our nation and our people what they are, stumble and slip from their positions at the head of American life. Certainly the "Home" seems to have lost its grasp upon our young people. They are prone to think of home as a place to eat and to sleep. Now they find their amusement, their education and their spiritual training or lack of it in other places.

One knows, even without reading Genesis, that a part of God's plan is the creation of Christian homes. "Be fruitful, and multiply, and replenish the earth and subdue it," and the institution created by God to accomplish this is the home. It is to be the provider of religious instruction. It is to be the instrument by which the children learn the commands of God and the difference between right and wrong. It is to be the place of worship and inspiration.

In his letter to The Ephesians, Paul tries to emphasize the part that the individual plays in the make up of the home. The husband and the wife are to preserve the purity of the union. Christ and his Church are to be the example. The self-giving of the husband and the wife in marriage should create a union that will never be broken. The man is responsible for the provision and maintenance and the discipline of the home, but the decisions of that home should be made by husband and wife as they consult and make their plans in equality. Marriage is not something to be taken lightly nor is it to be based on anything less than sincere love so perfectly shown in the love of Jesus Christ for His Church.

UK TRAFFIC SCHOOL IS BEING PLANNED

The University of Kentucky will hold its second annual Traffic Engineering School on the UK Campus Nov. 17-20. This event will be sponsored by the University through its Department of Extension and College of Engineering with the co-operation of the Kentucky Department of Highways. State, county and city traffic engineers and persons in related fields are invited to take part in the school. Its chief purpose will be to make a constructive approach to the main traffic problems in Kentucky. A special section on "Small City Problems" has been added to this year's program, and persons from small towns are especially urged to be present.

FARM NOTES

(—by Robert H. Fike
County Agent)

POULTRY

The way the flock is handled now can mean much in the way of profits during the winter months.

Those who already have their birds housed should check the ventilation in the house to be sure there are no direct drafts on the flocks and to be sure and to see there is plenty of fresh air coming into the house at all times. This can be done by closing end openings and those on the north side and leaving the other side open. Be sure to replace any broken panes near the roost. Cool nights and warm days are conducive to croup getting started when the birds roost in a draft.

If more litter is needed such as shavings, sawdust or straw it should be added now before the fall rains. Straw should be put in now so it will be well broken up before winter. It is much more likely to remain dry after it has been used awhile.

Feeder space should be checked because more is needed after the flock is in high production. Remember, we need 40 linear feet per 100 hens. This amount permits feeding to be done so that feed is not wasted by overfilling. If feeders are kept one-half full, there is little feed wasted. Remember too, one grain feeder to 3 mash feeders as less time is needed at the grain hoppers.

Check wiring, light sockets, switches and warmers so they will be ready when needed. Lights need not be used until later unless there is a slump in production and a booster is needed to maintain production.

It only takes a few minutes every week or 10 days to weigh a few birds to see if body weight is maintained. Ten percent of the flock can be marked with paint or colored leg bands can be used to identify the birds to be weighed.

After normal weight has been reached it need not be increased but it must be maintained to prevent a slump in production.

Oyster shells and grit should be put in several places in the house and should be in the lighted spots.

It isn't too early to order chicks for next years layers. More chicks are being bought in October, November, December and January than were in the past because it has proven more profitable. Think which of these months will suit you best and get ready. Plan on maturing your layers in 6 months and get ready to produce eggs during the summer when prices are going up and good eggs are scarce. Get the pullet-size egg when they are cheap, and be getting large eggs when the price is high. This means putting pullets in the brooder house early.

MOTHER'S ADVICE
by Ella Price,
501 South Broadway
Yreka, California

Come all my dear children,
Companion, and friends too
Let's get ready to go to
Heaven
While we have time to get our
prayers through.

The Lord is good to us, as we
all know;
But we must be ready, and
be prepared to go.
We may wander, and we may
ponder;
But we'll never find one, as
dear as the one up yonder.

Jesus loves all of His children,
And He loves them all the way
But we must love Him,
And walk with Him every day.

I know in Heaven it must be
beautiful,
For our Bible tells us so.
But the only way for us to find
out,
Is to always be ready to go.

My mother is dead.
And oh, it seems so long.
Help me, Oh Lord,
That I may never do anything
wrong.

I love every one on earth,
Not an enemy in the world.
So don't forget me, Lord,
As I try to write these words.

When you're driving along
the highway,
And nothing on your mind.
Just get in touch with Jesus,
He's never hard to find.

So come all of my children,
Take mother's advice;
And when you go to bed
Don't forget to pray at night.

Kingdom Come

Church services were held at the home of Mr. and Mrs. Larkin Adams Sunday night, October 18. Everyone seemed to enjoy the preaching of Revs. Emmitt Adams and Albert York. Mr. and Mrs. Adams joined the church and will be baptized Saturday, October 24, at the mouth of Kingdom Come.

The people of Kingdom Come wish to extend their deepest sympathy to Mrs. Nancy Hogg in the loss of her two sons, Larkin and John Fox who were accidentally killed in Indiana. These two nice young men will be greatly missed by all who knew them.

Mr. and Mrs. Kelly Ison, Komas and Oma, attended the baptizing of Mr. and Mrs. Edgar Ison and Mr. and Mrs. Coy Ison at Jackson Sunday.

Doris Ison, daughter of Mr. and Mrs. Grant Ison, is a student at Lees Junior College, Jackson, Ky. Glennon B., their son, is completing his last year at Berea College.

Mr. and Mrs. Charlie Ison are the proud parents of a baby boy, Marvin, who was born to them this month.

Visitors at Kingdom Come over the week end were Layne, Ray, and Della Brashers, John Dixon and daughter, Gracie of Indiana, Luther and Albert Ison of Cincinnati, and Glenna B. Ison of Berea College, all of whom were home to attend the funeral of John Fox Hogg.

There will be a pie supper at the Kingdom Come Grade School Saturday night, October 31, at 7:00 p. m. (CST). It is hoped that many people will come and bring pies and money for the school is badly in need of improvement.

Kingdom Come High School News

We are proud of our entries in the Regional Speech Festival at Pikeville. Phyllis Ingram won an excellent rating in discussion. Even though Delois Coots and Shirley Corbett did not get an excellent rating, they ranked in the upper bracket and were highly commended on their work in discussion and public speaking. This week every member of our Speech Class will be speaking over WTCW. They will be discussing the all important question of a minimum foundation program for the schools of Kentucky.

The Alumni Game last Saturday night drew a capacity crowd, and it was exciting from beginning to end. The Alumni were defeated by only four points. Our basketball season officially opens Friday, October 30th, at 6:30 p. m., when we will be hosts to Cordia High.

Our P. T. A. has accomplished much this year. Shades and trash cans have been purchased for the entire building, and magazines are being bought for the library. Because of our Thanksgiving Vacation, our next P. T. A. meeting will be the third Thursday instead of the fourth. All parents are urged to be present on Thursday, November 19, at 6:30 p. m. (CST) for this meeting. Mrs. Madelyn Helton's room will present a Thanksgiving program.

Our library has taken on a "NEW LOOK" this year. With all books properly catalogued, our bulletin board displays, and our bits of greenery we find it a wholesome atmosphere in which to study.

The first edition of our school paper, "The Beacon", was good. We congratulate the editor, her staff and Miss Shepherd, the sponsor, on a job well done.

SERGEANT

Sergeant Sunday School attendance October 25 was 54.

Thornton Sunday School had 48 in attendance Sunday. Mr. and Mrs. McKinley Crase and children were Sunday guests of Mr. and Mrs. Walter Hickman of Millstone.

Mr. and Mrs. Joe Craft and family were visiting Mr. and Mrs. A. C. Craft of Thornton while on way to his job in Newport, Ohio.

Mr. and Mrs. Conard Isaacs were Sunday dinner guests of Mr. and Mrs. Russell Powell.

Mrs. D. B. Franklin and Mrs. A. K. Franklin are attending Grand Chapter O. E. S. meeting at Louisville, this week.

JOHN H. GOSE
Republican Nominee for
POLICE JUDGE
City of Whitesburg

TO THE VOTERS OF THE CITY OF WHITESBURG:

Dear Voters:

As your Republican Nominee for Police Judge of the City of Whitesburg. I am making my final appeal for your vote and influence on Nov. 3rd. I have been a Peace Officer and Jailer for the last 12 years and have done my best to treat the public nice and do the right thing.

If you will elect me as your judge I pledge to you that I will make you a Judge that you will be proud of. I will be honest, sober and administer the law in a reasonable way; treating your children that are unfortunate to come before me as I would expect you to treat mine.

I have a sick wife and eight children—one married and one in College and a daughter ready for College. I do not have a job and have been out about \$1500.00 in hospital bills for my wife and she is still very sick.

My opponent has a job with the school board and is drawing \$60.00 per month Social Security and his wife \$30.00 per month and only he and his wife at home.

On account of the condition of my wife I would not be able to hold a job and attend to her too. So I hope you will all go the polls on November 3rd and cast your vote for me. I promise that you will not regret your vote.

(Pol. Adv.) **John H. Gose**

Partridge Boy Honored for Poster

Gene McKnight, son of Mr. and Mrs. Dewey McKnight, of Partridge, Ky., is now serving in the U. S. Army with the 4th Infantry Regiment in Fair Banks Alaska. Gene is a graduate of Whitesburg High School class of '50. A recent story in an Alaskan paper shows Gene standing by a hand made poster of 1000 words, he wrote on the history of the 4th. Infantry. The display was formally dedicated by Col. Carl E. Landquist 4th. Div. Commander. Gene writes his folks that he is hopeful of spending the Christmas holidays at home.

Dear Mother, Dad & Family, Haven't got too much time to write. Have to get my pack 8:15.

Got back from Anchorage last night about 8:45. Sure enjoyed every bit of last week. On the way back yesterday afternoon we saw 26 mountain goats below Healy. At a place called Broad Pass we saw Indians fishing through the ice in the rivtr.

Went to a movie Saturday night and it was "The Great Jessie James Raid" and poor Jessie would turn over in the grave if he suspected what a sorry story it was.

Finally got some colored pictures back that I made on the last trip I made out on the coast. I scored 34 out of a possible 36. I was scared they wouldn't come out so well, but they are O. K.

I'll send a clipping from the Midnight Sun, the notable of range service paper. I've got a bit behind on letter writing as a result of last weeks travel.

Did you keep up with the World Series. Doesn't look like the Yanks can be beat. See that Gov. Earl Warren of California has Fred Vinson's job. They still have the flags everywhere at half mast in mourning.

I'll close for tonight. Best of everything. Good night.

Cast your vote November 3rd for Arthur T. Scott for Mayor of the Town of Jenkins. He is an honest and sober man. Your vote will be highly appreciated.

Homemakers Corner

—by—
ROBERTA HALCOMB
Remember. Homemakers there are no news letters coming out now. You will have to keep up with the schedule here in this article or refer to your year book or listen in to the Farm and Home radio program each Saturday. The first week of November looks to be a full one. Here are the homemakers meetings:

NOVEMBER 2:
East Whitesburg meets with Mrs. Monnie Owens at 10:00. Campbells Branch meets with Mrs. Freda Fulp at 1:00. Flemings meets with Mrs. Eleanor Quinlan at 6:00 EST. Whitesburg meets with Mrs. Lester Hammock at 7:00.

NOVEMBER 3:
ELECTION DAY. It is our privilege and duty to exercise our rights to vote.

NOVEMBER 4:

NOVEMBER 5:
Sandlick meets with Mrs. W. M. Mullins at 1:00.

NOVEMBER 6:
Millstone meets with Mrs. Eva Potter at 10:00 (EST). Neon meets with Mrs. Ruth Harlow at 7:00 (EST).

The selection and preparation The November lesson is on of meats, along with our foods lessons this year you could very easily build a fine recipe file.

I have an extra recipe for you this week—just tried it out myself Monday night and liked it very much.

Guess you might call it **CREAMED PORK CHOPS.**

Season 4-6 pork chops and roll lightly in flour. Brown rapidly and place in baking dish. Over this pour one can of cream of mushroom soup and 1-2 can water. Bake in 350 farinheat oven for 50-60 minutes. Serve in baking dish.

Now for the Recipe of the week:

VEGETABLE LOAF WITH CHEESE SAUCE:

1 c cubed cooked potatoes
1 1-2 c cooked peas
1 1-2 c minced raw carrots
2 t minced onion
1 c chopped peanuts
2 T chopped parsley
2 T butter
1 1-2 T flour
1 1-2 c milk
1 1-2 t salt
2 eggs

Prepare vegetables. Make a white sauce of butter, flour milk and salt. Add beaten eggs, vegetables and peanuts. Pour mixture into buttered casserole. Place casserole in a pan of hot water and bake in moderate oven 350 degrees for 45 minutes, or until inserted knife comes out clean, serve with cheese sauce.

Cheese Sauce: Melt 2 T butter in a sauce pan, stir in 2 T flour until well blended then add 1 c milk, stirring constantly. Cook until thickened. Remove from stove and add 1-2 c shredded cheese, stir until cheese is melted.

Supper Menu: Vegetable loaf with cheese sauce, apple-salad, bran muffins, butter and pumpkin pie.

HAYMOND

We are sorry to note the death of Mrs. Clifford Sloan, who passed away in Fleming Hospital last week. Mrs. Sloan had been in ill health for quite some time.

Miss Loretta Mullins who is employed in the Edwin Kincer Grocery store, had the misfortune of cutting the end off of one of her fingers last week.

Russell Proffitt, of Johnson City, Tenn., spent last week end with Mr. and Mrs. Earl Proffitt.

Monroe Whitaker and son-in-law Roddy Sexton and little son, Jr., of Payne Gap, visited with his mother Mrs. Susan Whitaker last Sunday.

Pvt. Edwin Kincer who is stationed at Fort Knox, spent last week end at home. He was met at Hazard by Charles Whitaker, Sue Killen and Loretta Mullins.

IN KENTUCKY ... we have 88,274 children of school age not enrolled in any school.

Mrs. W. L. Cooper Reports On Rotary Trip To Paris

The Rotary International Assembly for May 7-12, 1953 at Lake Placid Club was over. Before leaving we received this notice, "Only Bags properly tagged and in the corridor by 1:00 p. m. Wednesday will be handled as checked baggage to the Mauretania—each piece must carry a numbered New York Central tag, filled in Conard Mauretania tag, name and number filled in. Keep passports, S. S. tickets on your person readily available."

With the parting words, "see you in gay Paree", people sped away in cars, or boarded the night train from Lake Placid to New York City. Six a. m. and the big city, here we had breakfast with John and Mabel Cooper at the Dixie Hotel. They took us for a ride on the subway, a trip to the top of the Empire State Building, in and out of the streets for sightseeing and on to the worlds largest fruit and vegetable market. There we saw acres of fruits and vegetables, talked with the men at work, were invited up to the executive offices where all the planning and tabulating takes place, keeping track of every order placed, incoming trucks and trains, and out-going supplies—a huge concern—it was quite fascinating.

After lunch, movies taken at the dock, an orchid corsage for the voyage from a daughter, and later Bon Voyage telegrams, with baskets of fruits and flowers tied with our own U. S. colors—it was good to have home folks wave "good bye".

The Mauretania is a smooth sailing ship under Captain Jarrell, length 722 feet and 89 1-2 ft, twin-screw turbine, gross tonnage 35,677. It is one of the Conard White Star Line, the largest liner ever built in England. This is the second Mauretania. You find carved pictures on the walls taken from the first one.

There is the Sun Deck with promenade, sernade and sports deck, the promenade deck with smoking room, gymnasium, lounge, grand ball, observation lounge, library, childrens room, writing room and shop. Then there is the main deck with many state rooms, pursers office, beauty saloon, barber shop, and doctors office, and a deck with many state rooms. There are about 300 rooms on the ship. On B deck is a spacious dining room, four decks high, the swimming pool is on E deck some of the decks of course are below the water line.

On the Mauretania we found a full program planned for each days enjoyment, cinema afternoon and night, deck tennis, swimming, contests left each morning at the door of our state room, (Lee received one of the prizes), as well as Ocean Times with Coronation. Edition and a program of events for the day such as: 7:00 a. m. Swimming Pool "E" Deck, Lymn. Prom Deck open for morning exercise.

11:00 music on records — Grand hall and so forth on through the day.

There were booklets on Paris and London to read, also a good library—Always there were groups on deck and in the lounge to talk with, and the daily promenade (ten rounds on the Prom deck made a mile). Our chairs were on the glassed in decks, but we often went up to the open deck to get the sweep of the winds and the swirl of the waters, and the wide swathe of swaying aquamarine left in the trail of the ship—I love the ocean, my grandfather was a sea captain.

The first day out to sea a notice on the bulletin board read "Rotarians", the first fellowship meeting will be in the Grand Hall, Friday, May 15th at 10:30 a. m. All Rotarians and families invited, urged to attend." Another notice of interest read "clocks will be advanced 20 minutes at 5:00 p. m., 10:00 p. m. and 2:00 a. m.

The fog horn sounded more or less throughout the first night. The Captain was introduced in Rotary meeting Friday morning with the state-

ment "Captain Jarrell was on the bridge all night—He came in at daylight."

There were flowers in the grand hall, pink glads, a vase of pink snapdragons. Pots of pink Astible were graceful among the greenery—at the back of the stage in fan shape were the flags of the nations at the front a large Rotary wheel and bell — On lines across the stage were banners of 69 clubs. The first Rotary Club was organized in Chicago, others followed in the states. Winnipeg being the fourth club organized, made it Rotary International.

The fellowship meeting opened with songs. The opening meeting brought informal meetings from officers and past officers of R. I. A warm invitation from Rotary Clubs of London stated, "There are hundreds of homes waiting to see you." There were informal speeches, and solos. The President of Rotary International, British Isles, Sir Stanley Leverton gave a reading of Dickens "Journel In Life".

Excerpts from letters written on board will give some idea of life on the ship.

Dear Lillian:—
Water, water everywhere, as far as one can see. They say by noon we will be out in mid-ocean, so far the voyage has been very calm. A little more swell in the ocean body today. I talk a couple laughingly, they looked as if they were wobbling, "We are wobbling she answered."

We have a lovely state room about 12x20 the main part, with a strip 6x9 for entrance, and the bath room to one side. The beds are comfortable and I've enjoyed the relaxation and rest—There is a single, and a double wardrobe, dressing table, night stand with desk and good arm chairs.

The food is varied and abundant. The dining room is a big attractive room. We have table 76 with a young couple, bride and groom from Texas. There are two sittings for each meal.

Our deck chairs are on the closed in deck, the blankets feel good—those on the sun deck seem to relax and enjoy it very much.

Every morning at 10:30 we have Rotary Fellowship meeting, in the afternoon cinema—We go up and down on the lift or by stairway. Tea is served in the afternoon with music—and there are games in the evening, and some dance on into the wee hours of the morning. They want dad to start some folk dances—The Paper Ocean News is placed at the door each morning, with a folder program for the day and various pamphlets—We

have a bright red booklet with a passenger list and another with the Rotary list with greetings from Captain Jarrell and President Brummier. Most of the passengers are Rotarians, Rotary Anns and their young folks. The booklet on Paris published by Conite De Jourisne De Paris Et Dr Departement De La Seive is full of information, and I got an attractive magazine, "Coming Attractions in Britain" published by the British Travel and Holiday Association.

It takes five days for crossing. By the fourth day two ships had passed—we were keenly interested when a tanker passed, as we had not seen the others—taking the lift to the sun deck, I walked the length and around on the other side, clinging to the railing because of a high wind blowing fiercely. It was the clearest day we'd had. The sun was glorious on the white capped waves. The tanker finally faded into a tiny speck on the far off horizon, ready to dip beyond, a bit of life on the ocean blue.

Cobb, Ireland in early morning—all excited to see land! The green of Ireland, yellow sorse by the sea side, white sea-gulls flying. "The Blarney met the ship in the harbor and took the passengers in. The ships larder was loaded with supplies for the return voyage, then to sea again and on the Le Harve France—before leaving we received a picture card of the ship with abstract of the coe by the captain of the line: this notice, "by 3:00 p. m. Monday, May 24, all baggage must be packed and ready for removal from the boat early in the morning." So evening clothes were not worn for dinner the last night on board.

Early morning at LeHarve, the ship overrun with chattering rapid speaking Frenchmen and the baggage disappeared as if by magic, to be loaded in the compartments of the boat train to Paris.

Then early breakfast and the long line of passengers passing through the lounge by Frech immigration officers. The passports were to be checked, then the rush from the ship to the boat train—Our compartment held six people. There were racks above the suitcases—above the seats were tiled pictures, wide picture windows in the compartment and in the long aisle next to the compartment gave a wonderful view of the landscape. A French officer came in to view the passports. To Lee he said, "What no cigarettes." One is allowed to just bring in so many. A train ride in early morn-

ing through Normandy, the tall stately spires of the Poven Cathedral, picturesque on the banks of the Seine, open fields of cattle grazing, beautiful trees, well kept gardens in the straightest rows, and however small the plot, there were flowers.

Paris, the big station, blue robed girls with little round blue caps, speaking French and English, taxis whirling people to hotels all over the city, boat friends now miles apart—all eager and expectant to meet again in the shops, in the house of friendship (Palais de Llice) or the Champs Elyseis, and to take tours together in the "City of Light" and out from the city to other parts of Europe—after the convention in Paris was over. —Mrs. W. LOCAL LAD IS INITIATED INTO RHO OMEGA ALPHA FRATERNITY AT BOWLING GREEN COLLEGE

This past week the Rho Omega Alpha Fraternity of the Bowling Green College of Commerce, Bowling Green, Kentucky, had its regular initiation and among those who were initiated was Jack L. Amburgey of Whitesburg.

Mr. Amburgey, a Higher Accounting major, attended Whitesburg High School before entering this institution. Since his entrance here, he has made an outstanding record for himself both scholastically and socially.

Since the Rho Omega Alpha Fraternity is one of the leading organizations of the College, we feel many of our citizens will be pleased to learn of Mr. Amburgey's advancement.

ANNOUNCEMENT OF J. H. ABBOTT FOR POLICE JUDGE OF JENKINS-McROBERTS

I am once more entering the race for Police Judge. of Jenkins and McRoberts on the Independent Ticket.

I have served you for the past twenty four (24) years. I have served with patience, with understanding, and sympathy for many years; and during that time many complex problems were involved. On that record I solicit your support in the November 3rd election.

Everyone gains knowledge by experience and I feel better qualified to serve you in the future, than any time in the past, and shall give free

of charge the benefit of my legal knowledge (such as it is) in all questions that trouble you, and when in doubt I shall refer you to an honest attorney.

We now have a clean moral town, and if elected it will be my sincere ambition and utmost endeavor to keep it that way.

Your vote will be appreciated.

—J. H. ABBOTT.

BLACKKEY

Bill Caudill, son of the late J. T. Caudill, of Morehead, was here on business last week. Wilson Adams is very sick at his home, also Mrs. G. D. Ison is very ill.

Elders I. D. Back, and W. C. Dixon, held services at the home of John Hibbards, on Leatherwood, last Sunday.

Mr. and Mrs. R. B. Caudill attended the funeral of Joe I. Day at Whitesburg, Sunday.

Jim Caudill of Grundy, Va., was here this week visiting on his way home from Cincinnati, where he had been visiting his son, Hassel, who is in the hospital, there.

Donald Dixon is home on a thirty-day furlough with his mother, Mrs. Oscar Dixon, on Elk Creek.

The funeral and burial of Elmer Adams was held here on Oct. 16th. He was a son of Ben Dixon. Elmer was born in 1925, on Big Branch of Line Fork; his grandfather, the late Dave Adams, was

from McGoffin County. He is survived by father and mother, four brothers, Fred, Ted, Dave and James, and three sisters, Ora, Nora and Mavis Joane. He was not married, but made his home with his father at Lawrenceburg, Ind., except when he served in the U. S. Army for eight years. His accidental death was caused when he and his companion "Turk" Hensley were thrown from a boat in the Ohio River, near Lawrenceburg, Ind. on October 4th, and drowned. When his body was found, it was identified by description, by a Mrs. Carmacal, whose husband had been gone from home, and was buried on the County farm, at Burlington, Ky. on Oct. 8th. Later it was learned by a brother, Fred, that Elmer was missing, and Fred went to the court and had the body taken up, and found it to be Elmer's on Oct. 15th, and the body was brought to Blackey, by Undertakers, Chambers and Grubbs, of Walton, Ky., on the 16th and buried here.

Elmer was employed by the

Greendale Foundry Company, Lawrenceburg, Ind.

The Tuesday evening prayer services at Indian Bottom Regular Baptist Church above Blackey, was attended by approximately 169 souls, coming from Whitesburg were Mrs. I. N. Lewis, Mrs. Steve Corbett, Mrs. Ada Stallard, Mrs. H. H. Fields and Rudell, John Adams and Inez, Mr. and Mrs. Lawrence Maggard, Mr. and Mrs. Howard Adams, Bill Hall and Elder Manuel Amburgey.

Preaching by Elders W. C. Dixon, James Fields, Manuel Amburgey and the Moderator I. D. Back. Sunday, the 25th will be regular monthly meeting time. Several will be baptized up the river above Blackey and dinner will be served on the ground.

This old church has received into her fellowship five members since last meeting.

We learn that Jeff Campbell, of Leatherwood is seriously ill in the Hazard Hospital.

Mrs. Grant Ison is very sick

at her home on Rockhouse.

ATTENTION!

Voters of Whitesburg!

Our Honorable Opponents, the Self Styled, Good Government Group, have made an issue of the Sewer System. For this, we are thankful. If nothing else is accomplished it will focus your attention on the biggest detriment to the growth of Whitesburg and to the HEALTH OF OUR PEOPLE, ESPECIALLY OUR CHILDREN.

Your present City Council is worried over the deplorable condition of our sewer system and have been worried for the past two years. We have explored every possibility that might enable us to do something about this condition in such a manner that it would not work a hardship on the Taxpayer.

We want you to know the facts. We know that the voters of Whitesburg are intelligent. They have proved it on every issue yet to come before them. We would like for you to know that if we had intended to saddle you with a huge debt for a sewer system, we would not have worried for two years with the problem. They say that we intend to mortgage your property for years to come. This shows that our opponents know very little about the law, or they are using the truth very recklessly because, no City Governing Body can enact an ordinance that will tax your property. You, the voter will have to do this by your vote.

It was a very strong possibility that we would have lost the new hospital that will provide Whitesburg with a payroll of approximately Twenty Thousand Dollars each month had we shown no interest whatever in a sewer project. We would have been very negligent in our duty to every business man and every citizen if we had not investigated every possible way that would enable Whitesburg to attract this Public Service and payroll. Therefore, we realized that before we could say whether to put it up to a vote of you the people, we would have to have an estimate of the cost of the project. To get an estimate we had to employ a competent engineer to make a preliminary survey and estimation. This we were able to get done for the small sum of One Hundred Dollars. When this survey is completed then, and then only will it be put before you, the Voter for your approval.

We know that our opponents are sensible men, they are our friends. Most of them were probably placed on the ticket without their knowledge or consent. We cannot believe that they are responsible for the wild and untrue statements that are being made. We do think that they should know the facts before they allow their spokesmen to publish statements over their name.

We feel that we have only done our duty in making an investigation of the feasibility of construction of a new sewer system. We have not obligated the people of the City of Whitesburg to anything, and we want to here and now brand this as a very malicious falsehood if any man tells you that we have obligated the taxpayers for anything other than the small fee for a preliminary survey and estimation.

We also want you, the voter, to know that you have had "a fair and impartial Government" for the past two years. We believe that we are the first City Council that have fairly and impersonally divided the business of the City with all the business men in the City. The big purchases are for Gas and Oil and this we have given a fair share to each service station in town.

We have succeeded in building a Police Dept. that enforces all the Ordinances without fear or favor. The present force has just about succeeded in driving the Bootlegger out of town. They have made it safe for you, your wife and your little children to be upon the streets of Whitesburg day or night. They have just

about eliminated the dangerous speeding and playing with automobiles that was so rampant for the last few years. We sincerely believe that you the voter approve of this and that you will want them to continue.

We have the best Fire Dept. in Eastern Kentucky and the equal of many larger towns and this has given us a very low insurance rate. We don't think that the voters of Whitesburg will stand for any small group of men who have committed themselves to a change in the Fire Dept. We have spent a great deal of money on the training of our Fire Chief and his men and to us, it is very essential that we keep our Fire Dept. at the same high rate of efficiency and we feel that a very large majority of the people want the same thing.

For the first time in many administrations, we, the present City Council have operated your City within its income. We have not had to borrow a dime during the past two years. We have made many improvements as you well know. The Police car, the Garbage Truck, our part of the Street markers and many other things that cost money. We did this and still entered the present fiscal year on Sept. first with a nice little balance in the bank. Our Honorable opponents would have you believe they could do better, but just ask yourself this question "What experience have they had? Has either of them had any experience at all in the administration of City Affairs. Have they even had much interest in City Affairs? Did they honestly want to take any interest in the City or were they put on the ticket by a small group of men that had "an axe to grind" or a job they wanted? Investigate and you will find out the truth."

If you want two more years of Clean, Honest, Efficient Government, if you are as interested in eliminating the bootlegger as the most of you say you are; If you appreciate the fact that we have gone a long way in cleaning up Whitesburg and if you want us to finish up the job, then, we know that you will vote the straight "S C A L E S OF JUSTICE TICKET."

The Bootlegger and other law violators are fighting for our opponents and we want to say now, that our opponents are welcome to their support. We don't want it. We don't think that the law abiding citizens of Whitesburg will want to go along with that element and we are willing to leave the matter up to the people. We feel that the voters of Whitesburg will do what is best for Whitesburg when they go to the polls.

We, the S C A L E S OF JUSTICE Candidates sincerely promise you that if we are elected, you will have a con-

tinuation of the policies we have followed the past two years.

Question: When I retire, will I receive a monthly pension payment of \$85 a month?
Answer: Some retired workers will receive \$85 a month. That is the amount a worker who has been paid not less than \$900 in every three months or calendar quarter since 1950 will receive.

Many retired workers will receive as little as \$25 a month. That is the smallest possible retirement payment. How much more than that the retired worker will receive as little as \$25 a month. That is the smallest possible retirement payment. How much more than that the retired worker will receive depends upon his average monthly wages. If they are \$100, his monthly benefit will be \$55. If \$200—\$70. But remember in calculating average monthly wages you include periods in which wages were low or the worker for some reason was employed and received no wages at all.

Question: Will some retired workers receive only \$25 a month even if they have wives and children under 18?
No, there are always additional payments to wives aged 65 or over, children under 18 and wives under 65 having children under 18 in their care.

Please address all questions to: Social Security Administration, Post Office Building, Hazard, Kentucky.
